Information Handout Work or Development Program

What is a Work or Development Program (WDP)?

If you are struggling to pay ACT traffic, parking and traffic camera infringements and are deemed eligible, you may complete a community work or social development program, which can result in the amount of infringement debt owed being reduced. You must meet at least one or more of the following.

- mental or intellectual disability or mental disorder;
- physical disability, disease or illness;
- addiction to drugs, alcohol or another substance;
- · being subject to domestic violence; or
- homelessness, or living in crisis or transitional or supported accommodation.

In relation to an application based on your financial circumstances, you must satisfy the Director General that you are experiencing serious financial hardship.

If you wish to participate in a WDP you need to obtain the support of the provider of the approved program you wish to undertake.

The types of activities that may be undertaken

A WDP can include one or more of the following activities:

- unpaid work for or on behalf of an approved program provider;
- educational, vocational or life skills courses;
- financial or other counselling;
- treatment for a physical or mental illness, disorder or disability;
- alcohol and other drug treatment; and
- mentoring.

If you are applying for a WDP on the grounds of addiction to drugs, alcohol or another substance, you can only participate in alcohol and other drug treatment.

What fines can be included in a WDP?

ACT Government issued parking or traffic camera infringements, AFP traffic or parking infringements, or parking infringements incurred in the ACT may be discharged with a WDP. If your application for a WDP is approved no further enforcement costs will be applied, as long as you comply with the conditions and the activity's monetary values cover the infringement debt.

How will your infringement debt be reduced?

The activities mentioned above each carry a monetary value calculated either hourly in the case of educational, vocational or life skills courses or monthly in the case of alcohol and other drug treatment.

Who can support a person's application?

You can approach a provider to discuss your wish to apply for a WDP prior to submitting your application form to the Access Canberra Infringement team. If we accept your application, you will receive notification you have been 'conditionally' approved - only then can you approach an approved provider to discuss their acceptance of you and finalise any details. A list of approved program providers can be found at <u>www.accesscanberra.act.gov.au/s/</u>.

What should you do if you think you are eligible for a WDP?

If you think you are eligible for a WDP contact the Access Canberra Infringement team on (02) 6207 6000, or email acinfringements@act.gov.au. They may be able to assist you in locating your nearest approved program provider, who can assist you in completing and submitting your application.

What happens if your application is approved?

If your application is approved, the Access Canberra Infringement team will issue a WDP and suspend any infringement enforcement action against you while the WDP is in place. If your licence was suspended due to the unpaid infringement debt, the suspension will be lifted. However, if these infringements carried demerit points a demerit suspension may still take place if warranted. Contact Access Canberra on 13 22 81 for more information on licence suspensions.

What happens if your application is not approved?

If your application is not approved, you have the right to apply for an internal review of this decision. If you wish to seek an internal review of this decision you should send a written request for the review to:
