CERTIFICATION

Certifications are statements made by a Certifier that they have undertaken a specific action prior to lodging the Registry Instrument to the Land Titles Office. A Certifier must provide the required Certifications when signing Registry Instruments or other Documents and provide the Certifications required for the role they are undertaking.

Certification must be completed by body corporate.

Certification statements (dot points) must be made by the certifier, being one of the following:

- a. **A legal practitioner**
- b. **If the applicant is not represented by a legal practitioner – the applicant (i.e. self-represented party)**
- c. **If a party to an instrument is not represented by a legal practitioner – that party (i.e. self-represented party)**

Any inapplicable certification statement(s) must be deleted.

All certification statements apply where the certifier is a legal practitioner.

By certifying this form, the legal practitioner acknowledges they have taken reasonable steps to verify that their client or his, her or its administrator or attorney is a legal person and has the right to enter the conveyancing transaction.

The first two listed certification statements do not apply where the Certifier is a self-represented party. Self-represented parties are only required to make certifications relating to retaining evidence to support the registry instrument or document and ensuring the registry instrument or document is correct and compliant with relevant legislation and any prescribed requirement.

A self-represented party must have their identity verified and certified by an Identity Agent, Justice of the Peace, Legal Practitioner, or Notary Public and provide evidence to be able to transact on the land as outlined in the self-represented party pack found [here](#). Self-represented parties must sign in the certification panel and have that signature witnessed by the authorised person completing the verification of or by an adult over the age of 18 who is not a party to this document. A completed self-represented party pack is to accompany the application at time of lodgment.

Note: - An attorney, body corporate or a corporation cannot make certification statements. They are required to complete the form as a self-represented party.
