The Act authorises the Registrar-General to collect the personal information required by this form for the purposes of issuing a registration under the Act. The Registrar-General prevents any unreasonable intrusion into a person's privacy in accordance with the *Information Privacy Act 2014*. IMPORTANT INFORMATION

- The incorporation of an association creates a legal entity, under the management of the committee members. The committee members are held accountable for ensuring that the association operates in compliance with applicable laws including the Act and the *Associations Incorporation Regulation 1991* (the Regulation).
- The public officer is responsible for acting as a point of contact between the association and the community and is expected to be able to represent the association in dealings with Access Canberra.
- The Act prohibits any person from serving as a committee member or the public officer if that person is bankrupt or personally insolvent, unless the ACT Supreme Court grants leave under S 63 of the Act. A search should be conducted of the records held by the Australian Financial Security Authority (AFSA) at www.afsa.gov.au before accepting the nomination of a person as a committee member.
- If the association, the public officer or a committee member fails to meet their statutory obligations under the Act (such as failure to lodge annual returns), the Registrar-General may make an application to the ACT Civil and Administrative Tribunal (ACAT) for the disqualification of the office-holder. The disqualification will be for a period the ACAT considers appropriate if satisfied that the extent of noncompliance justifies disqualification.
