CERTIFICATION

Certifications are statements made by a Certifier that they have undertaken a specific action prior to lodging the Registry Instrument to the Land Titles Office. A Certifier must provide the required Certifications when signing Registry Instruments or other Documents and provide the Certifications required for the role they are undertaking.

All parties must execute the document under certification.

Certification statements (dot points) must be made by the certifier, being one of the following:

- a. **A legal practitioner**
- b. **If the applicant is not represented by a legal practitioner – the applicant (i.e. self- represented party)**
- c. **If a party to an instrument is not represented by a legal practitioner – that party (i.e. self-represented party)**

Any inapplicable certification statement(s) must be deleted.

All certification statements apply where the certifier is a legal practitioner.

By certifying this form, the legal practitioner acknowledges they have taken reasonable steps to verify that their client or his, her or its administrator or attorney is a legal person and has the right to enter the conveyancing transaction.

The first two listed certification statements do not apply where the Certifier is a self-represented party. Self-represented parties are only required to make certifications relating to retaining evidence to support the registry instrument or document and ensuring the registry instrument or document is correct and compliant with relevant law and any prescribed requirement.

The self-represented party is required to have their Verification of identity (VOI) completed and provide evidence of authority to deal by using the self-represented party pack found [here](#). Self-represented parties must sign in the certification panel and have that signature witnessed by the authorised person completing the VOI or by an adult over the age of 18 who is not a party to this document. The completed original self-represented party pack is to accompany the application at time of lodgment.

Note: - An attorney, body corporate or a corporation cannot make certification statements. They are required to complete the form as a self-represented party. See ACT Land Titles Practice Manual for requirements.

EVIDENCE TO BE LODGED FOR SELF-REPRESENTED

If you are a self-represented party, satisfactory evidence is to accompany this application. Evidence may include but not limited to:

- Self-represented party pack
- Authority to deal
- If there is a registered mortgage on title, then mortgagees consent is required. Registry Instrument 042-C-Consent is available from the Access Canberra Website.

EVIDENCE TO BE RETAINED BY LEGAL PRACTITIONERS AND MORTGAGEE CORPORATIONS

Any evidence to support verification of identity carried out by a legal practitioner or mortgagee corporations, must be retained:

- (a) by the Legal Practitioner for at least 7 years from the date of lodgment of the Registry Instrument in the Land Titles Office;
- (b) by the mortgagee until they cease to be mortgagee in respect of the mortgage.

Evidence is required to be retained in order to demonstrate that the transaction was completed in accordance with legislative and other requirements and the certifications required were accurately made. Evidence may be required to be provided to the Registrar-General for the purpose of monitoring compliance with legislative and other requirements. The evidence must be legible, stored safely and securely, and accessible and may include:

- Client Authorisation
- Verification of identity
- Right to deal
- Other Prescribed Requirements; and
- Any evidence required by the Duty Authority.
