Attention Drivers
Are you a driving instructor, taxi, bus, hire car, or rideshare driver?
You need a WWVP registration card.

We all have a role to play in keeping our children and vulnerable people safe.

Under the ACT Working with Vulnerable People (WWVP) scheme, people working or volunteering with children and vulnerable people in a regulated activity must have a background check done and be registered with Access Canberra.

What does this mean for you?
From 8 November 2017, you:

- MUST hold a current WWVP registration card
- MUST carry your card at all times when involved in a regulated activity
- MUST produce your card when asked by an authorised person or police
- SHOULD produce your card when asked by a parent or carer.

If you are not registered by this date, you will no longer be able to drive a public vehicle.

If you are not registered, you need to register now. (see other side)
