Important Information
The nominated asbestos removal supervisor has not been approved under this licence previously, a separate application to name a supervisor will need to be submitted for assessment, and cannot undertake asbestos supervision on behalf of the company until approved.

An application to renew of an asbestos removal licence must be made prior to the expiry of the licence.

An asbestos removal licence takes effect on the day after the expiry of the existing licence, and expires 5 years after that day.

If the asbestos removal licence is currently issued under a corresponding WHS Law and is due for renewal, but not yet expired, in addition to identity documents you will need to supply a copy of your interstate licence.

In order to renew an asbestos removal licence, the nominated supervisor(s) must provide three forms of identification with the application with at least one being a photographic identification from the list below:

- A Photographic Driver Licence issued in Australia (current or expired up to 2 years).
- Full Australian Birth Certificate (not a Commemorative Certificate or an extract). If the certificate is not in the name currently used appropriate linking documentation will be required.
- Australian Passport (current or expired up to 2 years).
- Overseas Passport (expired by up to 2 years if accompanied by a current Australian Visa).
- Australian Citizenship Certificate or Naturalisation Certificate.
- Department of Immigration and Citizenship travel document (valid up to 5 years after issue).
- Department of Immigration and Citizenship Certificate of Evidence of Resident Status.
- ACT Police Officer Photo-identity card.
- Australian Proof of Age Card (includes NSW Photo Card) with appropriate security features, showing date of issue by an Authority (current or expired up to 2 years).

All supporting documentation must be originals or certified true copies of original documents where relevant.
